“Thank you for a terrific two fun-filled, butt-numbing days! You are awesome! Class was fabulous and I am beginning to “plan” my stuff with knowledge from you! What skill you have. What flair and charm! What a voice! Thank You!” - Judy Fletcher

“Thanks for a wonderful insight on negotiating! I truly enjoyed the class and have encouraged others I know to sign up for the next one!” - Michelle Largent-Morse

“There was a lot of information to take in but it really got me thinking about how I will handle different business situations in the future. You made the two day class very fun and enjoyable.” - Heather Berres

“The CNE Course is like a laser beam on the communication process. I am looking forward to using the styles and strategies I learned. The biggest thing I got is that I have to start getting face to face more often. I try to do so much on the phone in order to be efficient, but now I can see that it is just not as effective.” - William Tompkins
